TO WHOM IT MAY CONCERN

I am writing to extend my appreciation to **Mr. Aditya Mitra**, a B.Tech CSE IV year student at VIT-AP University, for his outstanding contribution during the Metaverse demonstration at the "Recent Research Trends and Applications of Artificial Intelligence and Internet of Things" Faculty Development Program (FDP) on 11.05.2023 organized by **Prof. T.Kishore Kumar**, Department of ECE under E & ICT Academy, NIT Warangal. The FDP was conducted online from 5th to 13th May 2023.

Aditya's technical prowess and dedication significantly enriched the online demonstration, showcasing his in-depth understanding of the subject matter and his ability to articulate complex concepts effectively in a virtual setting. His efforts were appreciated by participants of program.

I, Appreciate his dedication and motivation towards work.
